ELIGIBILITY CRITERIA:

- 1. Nominees must be members of VAR in good standing.
- 2. Nominees should have contributed to a program that improves the livability of a local community. Those activities are not limited to real estate or housing issues, and may include such things as crime prevention, youth mentoring, and homelessness prevention.
- 3. Nominees should have made a significant contribution of personal time, but contributions of money, materials, or other resources will be considered by the judges as well.
- 4. Nominees will be judged on level of personal contribution, impact of personal contribution, broadness of impact, and the project's suitability as a role model for other REALTORS®
- 5. The award is intended to recognize individual contributions, not association- or company-wide efforts. However, if an individual within your company can be singled out as instrumental to the success of a group effort, he or she is eligible. If the achievements of two people (such as a married couple or co-founders of an organization) absolutely cannot be separated, they can enter as a pair and their entry will be considered as one.
- 6. Some portion of the nominee's community work must have taken place between January 2019 and December 2019, but judges will also consider ongoing efforts outside that time frame that demonstrate a depth of commitment.
- 7. Nominees should be able to document the results of their individual involvement though published reports and/or testimonials from the organization they served or the people they helped.
- 8. Nominations must be accompanied by a completed <u>entry form</u> to be considered (REALTORS* may nominate themselves or may be nominated by another VR member, a state or local association, or the community organization they served).
